Consulting

Consultancy is all about trust... when you ask an organisation for help you need to know you can trust them, that they will act with integrity. At Citadel Risk, we pride ourselves on our care and desire to achieve value and efficiency for each and every client. Citadel Risk does not seek high profile or high volume business just to make a margin! Instead, we aim to offer experience, the highest professional standards and rigorous investigative and planning procedures to every project.

Areas where Citadel Risk has consulting experience:

- Insurance and reinsurance program design
- Start-up or new business planning
- Segregated cell advice
- Commutation planning
- Run-off management
- Handling a legacy broker portfolio
- Exit solutions and sale
- Novation
- Due diligence
