Mike Palmer joins Citadel Risk

3 May 2011

Mike Palmer has joined the board of Citadel Risk Services UK. He was previously with R&Q group where he was marketing & business development director. Prior to that he was at Helix UK Ltd.

The Citadel board has appointed Palmer as a full director from 3 May 2011 when his contract with R&Q expired. He joins existing board members Tony Weller (chief executive), Art Coleman (president, Citadel Risk Management) and Peter Sheldon (director).

'I am very happy to welcome Mike to the Citadel Risk group of companies,' says Weller. 'His expertise and contact base are well known within the industry, both in the UK and US. He brings a wealth of knowledge to the

board and we look forward to working with him whilst he focuses on our UK operation and assists with the development of existing relationships and new clients elsewhere.'

Palmer says he is delighted to be joining Citadel Risk at such an exciting time. 'Citadel Risk combines a reinsurance entity and service operation in one group and I look forward to working with the directors of both Citadel Risk Management and Citadel Reinsurance Company.'

Citadel Risk Services UK, which provides back office services and solutions for the re/insurance market, is part of the Citadel Risk Group which also provides reinsurance cover, exit strategies, segregated cell solutions and full re/insurance run-off management.
